

Sustainability Statement.

At Brooks Bristol, we are committed to sustainability and minimizing our environmental impact while providing a comfortable and memorable stay for our guests. As a 27-townhouse B&B located in the heart of Bristol, we recognize our responsibility to operate in an environmentally and socially responsible manner & make travel more sustainable.

Our Commitments:

1. Energy Efficiency

- We use energy-efficient lighting and appliances throughout the property.
- Our heating and cooling systems are optimized to reduce energy consumption.
- Guests are encouraged to participate in our towel and linen reuse program to minimize water and energy usage.

2. Water Conservation

- Low-flow showerheads, taps, and dual-flush toilets are installed to reduce water usage.
- We actively monitor water consumption and implement conservation measures where possible.

3. Waste Reduction & Recycling

- We have a robust recycling program in place for paper, plastics, glass, and organic waste and we recycle daily as part of the St Nicholas Market scheme.
- Single-use plastics are minimized, and we offer refillable amenities.
- Composting initiatives help reduce food waste from our kitchen and breakfast service.

4. Sustainable Sourcing

- We prioritize local and ethically sourced food and beverage options for our breakfast service including Eggs Meat Dairy, Bread, Fruit, and vegetables all sourced from” Total produce Company “based in St nick’s market.
- Coffee and Wine are also sourced from local suppliers Carwardine and Averys Wine both located in Bristol.
- Eco-friendly cleaning products are used to maintain a safe and healthy environment for guests and staff.
- We work with local corporate businesses to support the community and reduce our carbon footprint.

5. Community Engagement & Social Responsibility

- We support local charities and community initiatives to give back to the Bristol community especially via competitions, radio prizes and other initiatives for the hospital and university.
- Our team is trained in sustainable practices, ensuring ongoing commitment to environmental responsibility.
- We encourage guests to explore Bristol using public transport, cycling, or walking to reduce emissions. We offer free bicycle storage for guests and staff.

6. **Biodiversity & Green Spaces**

- Green spaces and rooftop gardens are maintained to enhance urban biodiversity. Including a fishpond & wild grasses.
- Pollinator-friendly plants support local bees & St Nicholas market makes its own honey from these bees.
